CORSARIO CREW

Professional, local & passionate

Our crew is our real added value.

The reason why our guests end up "super loving" the yacht, instead of just loving it are the people who put their hard work behind it.

From **captain** who tries to find the best secluded swim spots to catching fresh octopus for dinner, our **chef** who prepares the finest meals you can think of to our lovely **service team** who will greet you with a smile & warmth that lasts throughout your whole journey, being on Corsario really makes you have one new & extraordinary **a story to tell!**

Take a look at a selection of guests' reviews on the following pages. They give a good idea of the atmosphere on board.

A gentle sway and sea for miles,
Sailing on the Corsario is only smiles...
Love is the path with the inspiration of
the crew, they reminded us of the
important things we once knew...

Thank you to the entire crew from
the bottom of our hearts... we are
family now and forever.

See you soon...

Love: Carlton 😊

Enjoy the World!

What a magical time we shared with you! I get emotional
and always will thinking of the friends we found on
this magical ship. Your kindness, generosity, and
authenticity made us feel like one big family.

Thank you for keeping up with our craziness :). It
was such a special moment for us to share &
I hope (expect) that we will see each other soon
again. Hvala puno from the bottom of my heart!

In the shimmering waters, aboard Corsario
so grand, Dustin, a passenger, felt the seas
gentle hand. His heart full of wonder, His
spirit so bright, Dreaming of the sails
billowing in the soft morning light.
The Captain's eyes twinkled, as he saw Dustin's
true allure, "Come Join us, young friend
become part of the crew."

On the waves of the Corsario, Dustin
found his true home. A sailor bold,
no longer a passenger to roam, with
laughter and songs, and tales of the sea,
Dustin and the crew, forever wild and free.
THANK YOU AND THIS BEAUTIFUL CREW FOR EVERYTHING.
SORRY ABOUT THE CRICKETS Dustin

What a dream to sail the Adriatic
sea, gazing stars, with full hearts.
& leave Corsario full of gratitude

Queridos Jure y tripulación:

Gracias a Uds. hemos

hecho posible un sueño largamente esperado.
vacaciones en familia en un crucero por las
islas de Croacia!

Somos chilenos, descendientes de croatas
que llegaron a Chile en 1896. Nunca he-
mos perdido la conexión con nuestras
raíces. Tanto que tenemos legalmente la
doble nacionalidad.

En resumen, un viaje maravilloso e
inolvidable que la tripulación de
El Corsario ha hecho doblemente
inolvidable

Muchas Gracias!
